Welcome to the 78th annual Arts Fair! It is an honor for Bellevue Arts Museum to host one of the largest and most long-standing art and craft fairs in our county.

With roots dating back to 1947, Arts Fair has offered an opportunity for artists and artisans to display their latest works and engage with a collecting public. Supporting the annual sales of both regional and national artists, we believe that a healthy arts ecosystem serves the public in many ways. Not to mention how fun it is to browse over 280 artists booths in the course of a 3-day weekend!

BAM Arts Fair is much more than a place of commerce, with enriching activities in Kids Fair, culturally tuned entertainment on the Bamboozle Stage, delicious food, a wine garden, and free admission to Bellevue Arts Museum throughout.

Please enjoy the Fair and thank you for supporting our event and the participating artists!

DALE LINDMAN

Between Place and Time

Ten of Dale Lindman's pieces are featured in the Forum (ground floor). Lindman's career has been dedicated to exploring abstraction in painting; in the past fifty years, he has mastered a vocabulary of light, color, and texture. These variables evoke a sense of time and place, sometimes a memory, a moment in the day, or a specific location. It is within the realm of a highly controlled and natural environment that Lindman captures our curiosity and invites a moment of respite.

EVOLVING ABSTRACTION

Advancing American Painting in the 1960s

This exhibition explores how Friedel Dzubas, Paul Feeley and Ralph Humphrey expanded abstract art during the critical late 50s, 60s and early 70s through their innovative and unique approaches to color, composition, and form.
